In order to ensure a timely response to campus-based incidents, law enforcement agencies should consider the following response steps:

- 1. Provide quick intervention utilizing Active Shooter measures if necessary.**
- 2. Take control of the situation.**
- 3. Secure the scene and students.**
- 4. Establish perimeter and Command Center.**
- 5. Designate triage, transportation and staging areas.**
- 6. Order necessary support from university, fire, EMS, and traffic control personnel.**
- 7. Secure other buildings that have been locked down, as well as all transportation and evacuation sites.**
- 8. Secure all necessary university and supporting personnel in the Command Center.**
- 9. Establish a secured area for media and all Public Information Officers (PIOs) and keep them advised of situation with regular briefings when appropriate.**
- 10. Mobilize officers to secure all lockdown locations and staging areas.**
